Tired and exhausted, the Europeans finally arrived at Ellis Island in New York harbour. Many people had arrived with little or no money and were keen to find work. They caught their first sight of the Statue of Liberty, which had stood in the harbour since 1886. People were then taken to Ellis Island to be checked and registered.

In the early 17th century, Ellis Island was no more than a small 2-3 acre lump of land in the Hudson River, just south of Manhattan. The Mohegan Indigenous group who inhabited the nearby shores called the island Kioshk or Gull Island. In 1628 a Dutch man, Michael Paauw, acquired the island and renamed it Oyster Island
