Caramba is a tale that covers many views in life. From fear, love, acceptance, and faith in God - this book covers it all. As this book has a mixture of English or Spanish, I would only recommend this book to people who have knowledge of both languages. Unless you are okay with using a dictionary or Internet to look up meanings.

The maps, timelines, loteria cards, newspaper articles and other sundry artifacts which populate the book's interior were constructed in such a way as to seem authentic—which involved hours of abusing paper using erasers ...
