As the latest tome concerning the silver daemon vanquishers is nearly upon us, and much of the forbidden lore it contains has been let loose upon an unsuspecting mortal world, it's time for an appropriately shiny new tactical! This will be the definitive collection of eye searing knowledge concerning the arts of war practised by our incorruptible champions: the shadowy, the great, the ...

Today's article takes a look at one of the biggest winners of late 8th Edition, Grey Knights. Are they still an army to beat? For most of 8th Edition, Grey Knights were a bit of a joke. They suffered from having an extremely early codex from well before GW had figured out how to write elite armies, and although they got several rounds of ...

Welcome to the codex review for Grey Knights. Unlike Space Marines and their codex review by Desc440, there are a lot less things to review before getting to the actual units within the codex so we will be going through these probably quite a bit quicker and I am going to combine some of the early posts given the lack of options in comparison.I was hoping to have the Weapons of Grey Knights ...

Allies: Allies were one of the largest shifts in 6th edition – in 5th Grey Knights had one of the largest selections of units available to a codex (from 55 point super terminators to 25 point HQ's and 4 point GEQ units etc) which was a point of strength and diversity available – especially as so many of these units were available via one mechanism or another to become scoring units. With ...
