~~Country Cottages A Cultural History~~

A cottage is, typically, a small house. It may carry the connotation of being an old or old-fashioned building. In modern usage, a cottage is usually a modest, often

Access Free Country Cottages A Cultural History

cosy dwelling, typically in a rural or semi-rural location. The cottage orné, often quite large and grand residences built by the nobility, dates back to a movement of "rustic" stylised cottages of the late 18th and early 19th century during the Romantic movement. In British English the term now denotes a small dwelling of
