The Janeway textbook is one of the best, if not the best, text book for assessing the knowledge in the field of immunology at the time of the publication. It provides clear explanations and easy cross-referencing. I may be biased a bit as Dr. Charles Janeway was my graduate advisor at Yale. R.I.P. Charles Janeway.

The Janeway textbook is one of the best, if not the best, text book for assessing the knowledge in the field of immunology at the time of the publication. It provides clear explanations and easy cross-referencing. I may be biased a bit as Dr. Charles Janeway was my graduate advisor at Yale. R.I.P. Charles Janeway.

Immunobiology: The Immune System in Health and Disease ...

Janeway's Immunobiology has been such a standard in the field that it is revered. It is an indepth study across a range of subjects in Immunobiology the text is concise and articulate but the real strength of this book are the figures. They are really well done and help visualise some of the most abstract concepts of immunology.
