Synopsis. Leadership in Organizations focuses on effective
leadership in organizations through both theory and practice. This
book explains and critiques the major theories and studies that are
most relevant and informative and reviews what we know about
leadership effectiveness. This combination of theory and practice
makes this text a useful resource for practicing managers who are
looking for something more than superficial answers to difficult
questions about leadership.

Leadership in Organizations: Amazon.co.uk: Yukl, Gary A ...
Yukl takes an objective stance on various leadership models.
Research findings are critically compared to popular theories, and
he is good at raising new ideas and concepts, pointing the direction
towards future studies. All in all, it is a good overview of the entire
leadership landscape. This said, some of the passages are a bit dry
and academic.
